

TENNIS COURT RULES

- Tennis courts are open until 10:00 PM. No exceptions.
- For night-time play, a 45-minute light timer is available and is located inside the court walking towards Alperton in the southeast corner.
- Always close the gate after entering. **MAKE SURE THAT YOU HAVE YOUR KEY WITH YOU.** The gate will automatically close and lock so you will need your key to get out. For your safety, do not prop the gate open.
- Do not let anyone into the tennis court area. If they don't have a key to let themselves in, they cannot use our courts.
- No glass containers are allowed. Please take your trash with you upon exiting the courts.
- If you move out of Inwood Pines, please return your key to the HOA Board and we will return your \$20.
- If you see something out of the ordinary, please advise the HOA Board.
- You are allowed to use one court at a time during play and can invite up to **three** guests for doubles.
- You are allowed to use both courts if no one else is using them upon your arrival. However, you must relinquish that court as soon as someone else arrives and the **three**-guest rule still applies.
- At no time can the courts have more than eight people. Any exceptions must be cleared by the HOA Board.
- The courts are for Inwood Pines residents and 3 guests only and must not be used for outside tournaments, training, etc. without prior approval from the HOA Board.
- Courts are used on the honor system. Please be respectful at all times and share.
- Play safe and respect the neighbors during court usage.

Thank You – Inwood Pines HOA
